Mini Auditorium LIB - 110
Auditorium Style Seating - Seats 75

Equipment	The Mini Auditorium is equipped with a podium that contains a document camera and PC computer, DVD/VHS combo player, iPod doc, connection for laptop, wireless lapel microphone, and podium microphone. There is a large white board in the room. The audio from the room can be recorded as an MP3 file using equipment located in the control booth. The AV system is controlled by a Crestron system for switching the different AV sources in the podium. Contact CETS for additional equipment requests or support ext. 2481.
Distributed Learning/ Videoconferencing	The Mini Auditorium can serve as either the origination or receive site for closed circuit feeds involving other designated classrooms on campus or as a videoconferencing endpoint. If you wish to request these services please contact the Media Group at ext. 2472 or ext. 2476.
Video Production	The Mini Auditorium is configured with a video taping system consisting of multiple cameras and the ability to record the video feed off the data projector. If you wish to request these services please contact the Media Group at ext. 2472 or ext. 2476.
Network	Wireless access is available. Network connection provides only basic internet access. ITS must be contacted for wireless internet access for non UNTHSC users.
