

LIB - 410

Computer Lab - Seats 28

Equipment

The computer lab is equipped with a data projector and instructor podium. The podium contains a PC, document camera, and DVD/VCR combo. There are three additional LCD monitors on the walls for viewing. Additional equipment can be brought in by sending a request to the CETS office at x2481. Special request software packages must go through the Library Scheduling Office for approval and installation on the computer. E-mail libsched@unthsc.edu

Computer Equipment

There are 28 computer work stations. Special request software packages must go through the Library Scheduling Office for approval and installation on the computers. E-mail libsched@unthsc.edu

Network

Computers are hardwired to the network and wireless access is available. Network connection provides only basic internet access. ITS must be contacted for wireless internet access for non UNTHSC users.

Notes

Computer Lab usage must be confirmed by the Library scheduling office after submitting a formal request to the Room Scheduling office.
