Written Agreement for Commercial Support

The Society on NeuroImmune Pharmacology (SNIP) is committed to promoting research and serves as a reliable source of information in the pharmacology, immunology, and neuroscience of the neuroimmune axis; foster exchange of information and ideas on neuroimmune pharmacology by holding an annual SNIP Conference, independent of the control of Commercial Supporters. As part of this commitment, SNIP has outlined in this written agreement the terms, conditions, and purposes of commercial support for its Societal activities. Commercial Support is defined as financial, or in-kind, contributions given by a Commercial Supporter, which is used to defray all or part of the costs of a Society activity or conference.

Terms, Conditions, and Purposes

1. Independence
   1.1. This activity is for scientific and educational purposes only and will not promote any specific proprietary business interest of the Commercial Supporter.
   1.2. SNIP is responsible for all decisions regarding the identification of Societal needs, determination of objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content and evaluation of the Societal activity or conference.

2. Appropriate Use of Commercial Support
   2.1. SNIP will make all decisions regarding the disposition and disbursement of the funds from the Commercial Supporter.
   2.2. The Commercial Supporter will not require SNIP to accept advice or services concerning presenters, authors, or participants or other conference matters, including content, as conditions of receiving this grant.
Terms, Conditions, and Purposes continued

2.3. All commercial support associated with this activity will be given with the full knowledge and approval of SNIP. No other payments shall be given to the director of the activity, planning committee members, speakers or authors, joint sponsor, or any others involved with the supported activity.

2.4. SNIP will upon request, furnish the Commercial Supporter documentation detailing the receipt and expenditure of the commercial support.

3. Disclosure

The Accredited Provider will ensure that the source of support from the Commercial Supporter, either direct or “in-kind,” is disclosed to the participants, in program brochures, syllabi, and other program materials, and at the time of the activity. This disclosure will not include the use of a trade name or a product-group message. The acknowledgment of commercial support may state the name, mission, and clinical involvement of the company or institution and may include corporate logos and slogans, if they are not product promotional in nature.
