Re: Update on SACSCOC Visit

We received notice yesterday that all SACSCOC on-site visits scheduled for this Spring have been deferred due to COVID-19. Our on-site visit, originally scheduled for March 31st – April 2nd, has now been postponed to a date yet to be determined and our accreditation status will remain the same for an additional year.

In the interim, we will continue moving forward with our Quality Enhancement Plan, “Be Well” focused on student resiliency and emotional intelligence.

I sincerely appreciate all the time, energy and effort that has been invested thus far in our reaccreditation process and am confident we will be adequately prepared when the new date has been scheduled for our on-site visit.

If you have any questions and/or need additional information regarding our SACSCOC accreditation, please do not hesitate to contact Dr. Claire Peel at Claire.Peel@unthsc.edu or Doug Mains at Doug.Mains@unthsc.edu.
