

The Center for Academic Performance (CAP)

Academic Counseling

- One-on-one personalized appointments to discuss time management, study strategies, test taking skills, test anxiety, or other topics as requested.
- Targeted workshops over various topics.
- Online resources via your CAP Canvas course.

Tutoring

- Tutoring options open to all students include: Large Group Tutorials (LGTs) and drop in tutoring sessions.
- Individual or small group tutoring may also be available. This type of tutoring must be approved by a CAP Learning Specialist and is based on availability.

Writing Support

- In-Person and online writing support available.
- Writing tutors provide feedback on grammar, usage, organization, and style, but cannot provide feedback on content.
