

Dear HSC Fitness Center Members,

We hope this message finds you well and you have been able to continue with your fitness regime in some capacity over the past several months. Unfortunately, the HSC Fitness Center will remain closed through December 31, 2020.

As North Texas community leaders and public health experts continue to monitor the spread of COVID-19, HSC remains committed to ensuring the safety of our students, faculty and staff. We realize this is disappointing but are taking every precaution necessary to ensure the safety and health of our campus community.

Please know, we remain committed to your physical, mental, and emotional well-being during this stressful time and sincerely appreciate your patience and understanding. We encourage you to follow-us on social media ([UNTHSC Fitness Center](#)) and subscribe to our [YouTube Channel](#), as we will be posting workouts three times a week, providing at-home exercise resources, and hosting virtual group exercise classes for free. Please reach out to us with any question or concerns at FitnessCenter@unthsc.edu.

Thank you,

You HSC Fitness Center Team
