

## Your Safety. Our Priority.

Campus Safety Awareness Month is dedicated to ensuring that **all HSC students, faculty, and staff** are informed about the resources, policies, and practices that keep our campus community safe. By increasing awareness and encouraging proactive behaviors, we create a safer environment for everyone. Your participation in this month's activities is crucial to building a culture of safety and wellbeing on our campus.

For more information on how we keep our campus community safe, visit [HSC's Clery Act page](#).

### Key Safety Tips:

#### Personal Safety:

- Always be aware of your surroundings, especially at night.
- Always use designated crosswalks and obey traffic signals.
- If you experience or witness any concerning behaviors, report them to the proper channels, [here](#).

#### Emergency Preparedness:

- Familiarize yourself with campus emergency procedures and evacuation routes.
- Know how to access emergency alerts and notifications. You can sign up to receive notifications, [here](#).

#### Utilize Safety Services

- Campus Escorts: Request an HSC Police escort if you feel unsafe walking alone. You can request this service by calling: (817) 735-2210

#### Engage in Our Prevention Programs

- Attend workshops and events focused on preventing sexual assault, substance misuse, and other safety-related topics.

#### Be a Good Neighbor

- Look out for your peers and encourage them to make safe choices. We all play a role in maintaining a secure campus environment.

If there is an immediate risk to life, safety, or property, contact UNTHSC Police Department at (817) 735-2210 (non-emergency) or (817) 735-2600 (emergency).
