Experiential Curriculum:

- Community and Hospital Introductory Pharmacy Practice Experience (IPPE): Occurs in Summer Semester. IPPE rotations are 3 weeks in length. Community IPPE occurs after completion of year 1, & Hospital IPPE occurs after completion of year 2.
- Patient Care Process Introductory Pharmacy Practice Experience (IPPE): Occurs in Fall and Spring of year 3 and requires 48 hours on site each semester. Most experiences are scheduled for Thursdays.
- Shadowing and Over the Counter Consults (IPPE): Shadowing occurs in the Fall and Spring of year 1 & requires 4 hours on site each semester. Over the Counter Consults occur in Spring of year 1 and requires 10 hours on site.
- Advanced Pharmacy Practice Experience (APPE) calendar schedule: Begins in May and runs through May of the following year. *Students must complete 7 rotations during year 4. Rotations are 6 weeks in length.*

Form Completion Instructions:

1. **Rotation Type**: Enter the rotation type/specialty you are offering (if multiple specialties apply, please use additional lines provided).
2. **Preceptor Name**: Designate preceptor(s) responsible for each rotation type/specialty.
 - List yourself if you want all student contact to come through you. (site's coordinator)
 - If there is more than one preceptor for a rotation type/specialty, please list their availability on additional lines provided.
3. **Each Rotation**: Designate the number of students you can take each rotation, making sure to mark a "0" if you cannot take students.
4. **Max Students**: Enter the total number of students each preceptor can precept during given academic year for that rotation.

To maximize the chance for you to get students assigned, please complete the form listing **ALL** the rotations that you would be willing to precept students and provide a **maximum** number of students per academic year you are willing to precept.
