Summer Training Among Research Scientists (STARS) Program
Letter of Recommendation

The UNT Health Science Center Summer Training Among Research Scientists (STARS) program has been established to prepare undergraduate students for graduate study through mentoring, assistance, and information.

[applicant] has applied to the Summer Training Among Research Scientists (STARS) program at UNT Health Science Center. We appreciate your responses to the questions below. If additional space is needed, please use the back of this form or attach a separate sheet of paper.

In what capacity have you known the applicant and for how long?

Please comment on the applicant's academic strengths and weaknesses.

Does the applicant possess the drive and commitment to pursue graduate study and succeed in graduate education? Please explain.

If given the opportunity and preparation, do you believe that the applicant has the potential to make significant contributions to research in his/her chosen field?
