

UNT Health Science Center in Fort Worth, TX, Department of Community Medicine, is seeking faculty positions board certified in Internal Medicine and/or Family Medicine. The department has clinical responsibilities to UNT Health physician group and John Peter Smith County Hospital, under the chairmanship of Robert Richard, DO. There are opportunities to have our TCOM medical students' precept through the clinics. Each provider will have a nurse or an M.A. in order to keep the fluidity. All positions are a great quality of life.

Qualified candidates must possess excellent communication, clinical, and leadership skills, as well as have completed the 3 required years of training, be board certified and TX licensed by time of start date. Bilingual in a foreign language is a plus. The salary is based on experience, with full benefits as a full time state employee, assigned as a faculty position. We pay for credentialing, CME and malpractice. The call schedule is only pager triage one week out of every 3 months and the average patient load a day is 18-20 in an 8 hour day.

We are located in the cultural district of Fort Worth, the 16th-largest city in the U.S. and one of "America's Most Livable Communities." We have a thriving center of culture, commerce, the Historic Stockyards, remarkable museums, a vibrant and clean downtown area, Botanical Gardens and great annual events!
