

UNT Health Science Center School of Public Health

Please join us in honoring Dr. Kristine Lykens on her upcoming retirement

Kristine Lykens, PhD
Associate Professor
Department of Health Behavior
and Health Systems

Thursday

August 23, 2018

3:00 - 5:00 p.m.

**Medical Education &
Training (MET) 109**

1000 Montgomery Street
Fort Worth, TX 76107

Dr. Lykens has been a member of the UNTHSC School of Public Health faculty for 18 years, having taught masters and doctoral courses in health policy, health services and policy research, public health ethics, program planning and evaluation, and an Honors Seminar for TCOM students on “Physicians and the Affordable Care Act.” She holds a PhD in Political Economy and a Master of Public Affairs degree, and her scholarly interests have explored health policy issues in children’s health, including international child nutrition and child survival; the impact of Medicaid on children’s health; children with special health care needs; public health ethics; patient safety and care quality; and tuberculosis prevention.
