

**CURRICULUM VITAE**  
**Uyen-Sa D. T. Nguyen, DSc, MPH**

Department of Biostatistics & Epidemiology  
University of North Texas Health Science Center School of Public Health  
3500 Camp Bowie Boulevard  
Fort Worth, TX 76107-2699  
Phone: 817-735-2323 (Main)  
Email: [uyen-sa.nguyen@unthsc.edu](mailto:uyen-sa.nguyen@unthsc.edu)

**EDUCATION**

D.Sc. in Epidemiology	Boston University School of Public Health <i>Major Advisor: Kenneth J. Rothman, DrPH</i>
M.P.H. in Epidemiology & Biostatistics	Boston University School of Public Health
B.S. in Biology	University of Michigan-Ann Arbor

**POST-DOCTORAL TRAINING**

Post-Doctoral Fellow	Hebrew SeniorLife Institute for Aging Research Beth Israel Deaconess Medical Center Harvard Medical School <i>Mentor: Marian T. Hannan, DSc, MPH</i>
----------------------	---

**ACADEMIC APPOINTMENTS**

2019-present:	Associate Professor University of North Texas Health Science Center School of Public Health Department of Biostatistics & Epidemiology Fort Worth, TX
2013-2019:	Assistant Professor University of Massachusetts Medical School Department of Orthopedics and Physical Rehabilitation Worcester, MA
2010-2013:	Research Assistant Professor of Medicine Boston University School of Medicine Department of Medicine, Clinical Epidemiology Research & Training Unit Boston, MA

**RESEARCH EMPLOYMENT HISTORY**

2007-2010:	Research Fellow & Project Director, Musculoskeletal Research Hebrew SeniorLife Institute for Aging Research, Boston, MA Foot Disorders and Falls in a Population-Based Cohort Study
2002-2003:	Consultant/Program Evaluator, Adult Protective Services California State University School of Social Work, Los Angeles, CA
1995-2001:	Project Director and Statistical Analyst, Data Coordinating Center Multi-site Longitudinal Study (Study of Osteoporotic Fractures-Caregiver) San Diego Birth Center Study Boston University School of Public Health, Boston, MA
1989-1995:	Data Manager, Framingham Children's Study, Section of Preventive Medicine Research Technician, Department of Microbiology Boston University School of Medicine, Boston, MA
1988-1989:	Research Assistant, Department of Psychology

University of Michigan, Ann Arbor, MI

### **HONORS/AWARDS (COMPETITIVE)**

- 2018 Scholar, NIMHD Health Disparities Research Institute
- 2008-2010: National Institute on Aging Diversity Supplement
- 2008: National Institute on Aging Summer Institute on Aging Research  
Queenstown, MD

### **PROFESSIONAL DEVELOPMENT**

- 2019-2022 Steps Toward Academic Research (STAR) Leadership Program  
UNT Health Science Center, Fort Worth, TX
- 2015 (Jun-Aug) Academic Visitor, the Geneva Joint Arthroplasty Registry  
Division of Orthopaedic Surgery and Traumatology  
Geneva University Hospitals (Hôpitaux Universitaires de Genève)  
Rue Gabrielle-Perret-Gentil 4  
CH-1211 Geneva, Switzerland
- 2015 (Aug): Erasmus Summer Program at Erasmus University, Rotterdam, The Netherlands  
Courses enrolled: Causal Mediation Analysis, Health Economics
- 2014-2015: Junior Faculty Development Program (JFDP)  
University of Massachusetts Medical School at Worcester, MA  
JFDP Directors: Robert Milner, PhD; Joanna Cain, MD
- 2009: Faculty Development, Distinguishing Yourself as an Independent Clinical Investigator:  
The Basics, Harvard Medical School, Boston, MA
- 2009: Faculty Development, Harvard Catalyst Postgraduate Education Program, Introduction to  
Clinical Investigation, Harvard Medical School, Boston, MA

### **PROFESSIONAL SOCIETIES: MEMBERSHIPS AND COMMITTEE ASSIGNMENTS**

**MEMBERSHIP** American College of Rheumatology/Association of Rheumatology Professionals (ACR/ARP); Gerontological Society of America (GSA); Society for Epidemiologic Research (SER)

#### **COMMITTEE SERVICE**

- 2020- American College of Rheumatology  
Abstract Category Co-Chair Epidemiology & Public Health Abstracts, Annual Meeting
- 2020- American College of Rheumatology  
Rheumatology Research Foundation-Grant Reviewer
- 2018-2021: American College of Rheumatology/Association of Rheumatology Professionals  
ACR Committee on Journal Publications
- 2016-2018: American College of Rheumatology/Association of Rheumatology Professionals  
ARP Research Subcommittee
- 2013-2016: American College of Rheumatology/Association of Rheumatology Professionals  
ARP Membership and Nominations Committee Member
- 2014-2015: American College of Rheumatology/Association of Rheumatology Professionals  
ARP Welcome Task Force Member
- 2012-2013: American College of Rheumatology/Association of Rheumatology Professionals  
Annual Meeting Planning Subcommittee Member
- 2012-2013: American College of Rheumatology/Association of Rheumatology Professionals  
ARP Abstract Category Chair (Epidemiology and Public Health)

2012-present: ACR/ARP Annual Scientific Meeting Abstract Reviewer, Session Moderator

2009-present: Gerontological Society of America Annual Scientific Meeting Abstracts

#### **EDITORIAL ACTIVITIES (AD-HOC REVIEWER)**

Annals of Internal Medicine (2013 & 2014 Top Grade Reviewer Recognition); Arthritis Care & Research (2019 Top Grade Reviewer Recognition); Arthritis & Rheumatology; Annals of Rheumatic Diseases; BMC; British Journal of Nutrition; JAGS (J of the American Geriatrics Society); Journal of Evaluation and Clinical Practice; Journal of Foot and Ankle Research; Journal of Rheumatology; Maturitas; Maternal and Child Health Journal; Osteoarthritis & Cartilage; PLOS One; Women's Health

#### **EDUCATIONAL ACTIVITIES**

##### **UNIVERSITY OF NORTH TEXAS HEALTH SCIENCE CENTER SCHOOL OF PUBLIC HEALTH**

###### **TEACHING RESPONSIBILITIES**

2020: Introduction to Data Management and Statistical Programming, EPID 5313 (Fall II, online)

2020: Intermediate Epidemiology, EPID 5310 (Spring, in person)

2019: Advanced Epidemiology 1, EPID 6310 (Fall, in person)

###### **ADVISING, SUPERVISING OR MENTORING**

###### **SUPERVISING**

<b>Date</b>	<b>Student</b>	<b>Program</b>	<b>Outcome</b>
2020-ongoing	Noah Peeri	PhD Doctoral Candidate	Doctoral Dissertation in progress
2020-2021	Cameron Zielke	MS-Epidemiology	Discovery Manuscript-in progress

###### **MENTORING**

2019-2020	Zhang Qi Tan	PhD-Epidemiology content	Manuscript under review
2019-2020	Eleena Dhakal	MS-Epidemiology	Manuscript under review

##### **UNIVERSITY OF MASSACHUSETTS MEDICAL SCHOOL**

###### **TEACHING RESPONSIBILITIES**

2018: CAPSTONE Reviewer and Research Mentoring: 6 students  
Lecturer: guest lecture on appropriateness and racial disparities in total knee arthroplasty utilization

2017: CAPSTONE and Research Mentoring: Departments of Medicine and Orthopedics & Physical Rehab: 12 medical students, 1 research fellow, 3 departmental faculty members  
Research Mentoring: Orthopedic Summer Research Program

Weekly research meetings over 3 months with 1-2 medical students

Lecturer: guest lecture on appropriateness and racial disparities in total knee arthroplasty utilization

2013- Lecturer: Orthopedic Summer Research Program

2016: Guest lecture on study design and data analysis

###### **ADVISING & SUPERVISING**

<b>Date</b>	<b>Student</b>	<b>Program</b>	<b>Outcome</b>
2017-present	Tim Olivier, MD Candidate, Class of 2020	CAPSTONE, main advisor	Manuscript in progress

##### **HARVARD MEDICAL SCHOOL**

###### **TEACHING RESPONSIBILITIES**

2010: Lecturer: Clinical Epidemiology and Population Health-AC511.0  
2.5 hours/twice weekly for 4 weeks/6-8 first year medical and dental students  
Harvard Medical School, Boston, MA

2009: Lecturer: Clinical Epidemiology and Population Health-AC511.0  
2.5 hours/twice weekly for 4 weeks/6-8 first year medical and dental students  
Harvard Medical School, Boston, MA

#### **GRANTS**

##### **ACTIVE**

**NIH/NIMHD R21 MD013542-01**

(PI: Nguyen, U.)

09/01/20-08/31/2022

*VietAmerican Health Pilot Study*

The major goal of this study is to conduct a pilot study of awareness of disease, symptoms and management of osteoarthritis, as well as examining the willingness and feasibility of obtaining X-rays of hands and knees in a small sample of Vietnamese Americans in the Dallas-Fort Worth area.

**PENDING****NIH/NIA R21 AG068772**

(PI: Demissie, S.)

Submitted 10/16/2019

*Population subgroup difference in aging trajectory and health: Methods and application*

The overall aim of this study is to develop a new and improved method of predicting and quantifying biological age and to apply the method in aging research

Role: Sub-Award PI

**COMPLETED****NIH/NIAMS 5K01AR064351-03**

(PI: Nguyen, U.)

2013-2018

*Collider Bias and the Risk Factor Paradoxes in Rheumatic Disease Research*

\$617,195

To determine and quantify potential selection bias in 3 areas of rheumatic disease and musculoskeletal research.

Effort: 75%

**Arthritis Foundation New Investigator Award** (PI: Nguyen, U)

2013-2015

*The True Impact of Cardiovascular Risk Factors in Rheumatoid Arthritis*

\$100,000

To determine the true impact of the risk of cardiovascular events in people with rheumatoid arthritis.

Effort: 15%

**ACR REF Scientist Development Award**

(PI: Nguyen, U.)

2010-2013

*Knee OA and Risk of Indoor and Outdoor Falls in a Population-Based Cohort of Older Adults: The MOBILIZE Boston Study*

\$225,000

To determine the association between knee OA and risk of falls separately for indoor and outdoor falls, and whether foot pain, physical activity, and mobility performance may partially mediate these associations.

**NIH/NIA R01AG026316-03S1**

(PI: Hannan, M.)

2005-2010

*Foot Disorders and Falls in a Population-Based Cohort Study, NIA Diversity Supplement*

\$91,666

To study the correlation among different balance measures and to determine the association between balance and risk of indoor and outdoor falls in older adults.

Role: Co-Investigator

**Hospital for Special Surgery**

(PI: Nguyen, U.)

2008-2009

*The Occurrence of Ipsilateral or Contralateral Foot Disorders and Dominant Handedness, The Framingham Offspring Study (Framingham Heart Study NHLBI/NIH Contract #: N01-HC-25195 )*

\$6,000

This unrestricted grant from the Non-Surgical Foot & Ankle Service of Hospital for Special Surgery funded a study into the association between hand dominance and side of foot disorders in a population-based cohort study.

**BIBLIOGRAPHY****DOCTORAL DISSERTATION**

2007: **Nguyen USDT**. *Epidural Placement, Transfers, and Adequacy of Prenatal Care Utilization in the San Diego Birth Center Study*. Boston, MA: Boston University School of Public Health 2007. **3279949**.
