

2022 Commencement Ceremony Save-the-Date

October 21, 2021

HSC Graduates,

Commencement, the culmination of all your hard work, energy, and effort while at the Health Science Center, has always been the highlight of honoring our students. We are committed to providing you an outstanding experience to recognize and celebrate the acknowledgement of your degree.

I am pleased to announce that the **2022 Commencement Ceremony** will be held on **Wednesday, May 25th** from **1:00 p.m. – 4:00 p.m.** at **Dickies Arena**. While this date is later than previous ceremonies, it will allow for us to celebrate each graduate with the pomp and circumstance you deserve. More details regarding ceremony logistics will be shared in January 2022!

As the COVID-19 pandemic continues to impact the world, daily operations and many aspects of your life, the health and safety of our graduates, their families and our faculty and staff remains a top priority. HSC administration will continue to review all options as it relates to Health Science Center related programs and events.

We look forward to celebrating each of you on May 25th!
