Navigating the Student Portal and Student Center (MyHSC)

Logging into the MyHSC

1. From the main UNT HSC Homepage, click the link for My HSC.

2. Login with your EUID and Password

If you do not know your EUID or Password click the links below the login button.
3. Main Student Homepage

1. Class Schedule will show you the current term and current enrolled classes.
2. To Do Items will show any outstanding items from Admissions or anything that is assigned for you to do.
3. Charges Due will show your charges for the current term if they are due.
4. Student Information is where the New Student Information Form, your Personal Profile and Immunization Records are located.
5. Red Alert is the emergency notification system on campus. Make sure your contact information is up to date.
6. Student Center button will link you into your Student Center.
1. To search for classes or to enroll, add, or drop a class click on one of these links.
2. Other Academic dropdown box will take you to run an unofficial transcript or view your grades.
3. Holds will prevent you from registering and from obtaining transcripts, enrollment verifications and even your diploma. Take care of your holds as soon as possible by clicking on them for more information.
4. To Do List will show you any outstanding items that the school still needs from you.
5. Advisor box will show your advisor once you have filed a degree plan with your program.
6. Under personal information you can update your address, phone number, emergency contact or your preferred name*.

*Official Name Changes must be submitted through the Registrar's Office, for more information email Registrar@unthsc.edu
