

Acronym	Name	Description
AAOWP	American Association of Osteopathic Women Physicians	AAOWP is a women's organization concerned with the unique issues that face us in the medical profession. We host lecture meetings where we have female physicians discuss their path in medicine. We also have a volunteering opportunity with Cornerstone clinic where we get hands-on experience with patients.
APAMSA	Asian Pacific American Medical Student Association	APAMSA is an organization committed to addressing the unique health challenges of Asian and Pacific Islander American (APIA) communities in the DFW area through education, outreach, advocacy, and service. We host non-profit health fairs, provide immunizations as well as screenings while creating clinical opportunities for students.
AMOPS	Association of Military Osteopathic Physicians & Surgeons	AMOPS focuses the attention of the American Osteopathic Association (AOA) on the unique aspects of practice in the Uniformed Services by the more than 2,200 Doctors of Osteopathy meeting our nation's military and federal medical needs throughout the world.
AWS	Association of Women Surgeons	The Association of Women Surgeons is dedicated to the mission of inspiring and supporting women in all stages of medical training and to inspire, encourage, and enable female surgeons to achieve their personal and professional goals.

BGSA	Black Graduate Student Association	The Black Graduate Student Association is geared towards connecting and engaging students by providing a network among all minority students on UNTHSC's campus. BGSA is a student-run organization dedicated to enhancing the academic, professional, and social development of underrepresented populations in higher education. BGSA hopes to continue its mission by working as a team and maintaining an open line of communication between the officers, members, and faculty here at the UNTHSC.
CBSG-IVCF	Campus Bible Study Group-IVCF	This is a non-denominational campus fellowship born of the incorruptible seed of God to share and express the principles and laws of Jesus Christ in UNTHSC Fort Worth through the help of the Holy Spirit without whom we can do nothing. We hope to raise and empower men and women who would be better positioned to positively impact the UNT community through our weekly meetings of prayer, worship and bible study.
CSA	Chinese Student Association	CSA is the home of all Chinese students and Friends
CMA	Christian Medical Association	CMA is a part of the nation's largest organization of Christian health care professionals. And students remain at the core of the ministry! Opportunities abound for discipleship, ministry, missions and many

		other ways to allow your walk with Christ to not only survive your training years but to thrive during it!
CMAS	Catholic Medical Association of Students	The mission of the Catholic Medical Association of Students is to bring Scholarly, Spiritual, and Service opportunities to the Catholic & non-Catholic students of the UNT Health Science Center with an open-minded & inclusive attitude, centered in the Truth of Jesus Christ and His Church.
GHI	Global Health Initiative	GHI is an organization intends to work as a liaison between you and your international interest opportunity. We focus on universal healthcare, ranging from international rotations and clinical trips to local health fairs and integrating medical needs into the community. We strive to transverse cultural boundaries, and add a diverse perspective to practicing healthcare while fostering your specific international interests.
ISA	International Student Association	ISA is a voluntary organization that represents students of international origin and works with the department of student affairs and international student services division to help international students.
IA	Islamic Association	The purpose of Islamic Association is to spread awareness of Islam, to provide a support system for the Muslims students at UNTHSC, and make a difference in the community.

LMSA	Latino Medical Student Association	The Latino Medical Student Association unites and empowers medical students through service, mentorship and education to advocate for the health of the Latino community.
LGBT & AA	LGBT and Allies Association	A student group interested in promoting the health and welfare of the Lesbian, Gay, Bisexual, Transgender as well as other sexual minorities in our community. This group is open to all student at UNTHSC and you do not have to LGBT to join.
MSM	Medical Student Missions (formerly FIMRoC)	MSM mission is to provide access to medical care for the underprivileged and medically underserved populations
MSFC	Medical Students For Choice	Medical Students for Choice® (MSFC) is dedicated to ensuring that women receive the full range of reproductive healthcare choices. MSFC recognizes that one of the greatest obstacles to safe and legal abortion is the absence of trained providers. As medical students and residents, we work to make reproductive health care, including abortion, a part of standard medical education and residency training.
PHMA	Public Health Minority Association	The Public Health Minority Association is a student organization that seeks to encourage the professional and educational development of students,inspire service in the public interest, foster education within underrepresented communities on the prevention of disease and

		promotion of health and identify and represent the interests of marginalized communities.
SACNAS	Society for Advancement of Chicanos and Native Americans	"SACNAS is a society of scientists dedicated to fostering the success of Hispanic/Chicano and Native American scientists—from college students to professionals—to attain advanced degrees, careers, and positions of leadership in science."- SACNAS Mission
SNPhA	Student National Pharmaceutical Association	SNPhA is an educational service association of pharmacy students who are concerned about pharmacy and healthcare related issues, and the poor minority representation in pharmacy and other health-related professions.
SNMA	Student National Medical Association	Student National Medical Association (SNMA) is committed to supporting current and future underrepresented minority medical students, addressing the needs of underserved communities, and increasing the number of clinically excellent, culturally competent and socially conscious physicians. Membership includes more than 8,000 medical students, pre-medical students, residents and physicians. Established in 1964 by medical students from Howard University College of Medicine and Meharry Medical College, SNMA boasts 50 years of service to underserved communities and medical students. SNMA is dedicated both to ensuring

		that medical education and services are culturally sensitive to the needs of diverse populations and to increasing the number of African-American, Latino, and other students of color entering and completing medical school.
SVA	Student Veterans Association	The basic tenets of the SVA organization include: 1) Serve the needs of Student Veterans attending the UNTHSC. 2) Raise Veteran awareness within the entire UNTHSC community. 3) Provide veteran-specific community service as an arm of the UNTHSC.
TRHA	Texas Rural Health Association	TRHA strives to promote community service and raising awareness of special health needs of rural health populations.
TGH	Timmy Global Health	Timmy Global Health expands access to healthcare and empowers students and volunteers to tackle today's most pressing global health challenges. To achieve this mission, TGH sends medical service teams to support the work of international partner organizations, channels financial, medical, and human resources to community based health and development projects, and works to empower students to fundraise, advocate, and serve in an effort to fight health disparities both at home and abroad.
