

Express Mail Shipment of I-20

The Office of International Services (ISO) is pleased to make available FedEx and DHL Express mailing of initial attendance immigration documents (I-20) to students overseas that are applying for F visas. ISO uses an express mail service that will allow you to receive your documents through FedEx or DHL.

The FedEx and DHL mailing must be paid by credit card (Visa, Mastercard, or Discover cards only). To request express mailing of your documents, go to the following secure website: *(works best with Internet Explorer & Mozilla Firefox browsers)*

<https://study.eshipglobal.com>

You must use the website provided above – do not go through the DHL or FedEx website directly.

If you use this service, you will be required to create your own user name and password in order to create an account. To request shipment, you will need your UNTHSC Student ID number, mailing address, e-mail address, phone number and credit card information.

Please pay close attention to the information submitted, as errors in the credit card information or submitting incorrect or incomplete address information will result in a delay in the mailing of your I-20. If you experience any difficulty in registering and processing the shipment, please use the “Help” feature on their website.

Upon completing the request, you will be sent an email that includes a tracking number and order details for your shipment.
