At this time, Fort Worth Convention Center does not have a mask requirement, vaccine status check, or negative test requirement for events, but depending on how everything unfolds over the next month, we will send out updates if this changes.

Is there an RSVP limit?

No, we are not currently limiting RSVP's and guests. If that changes we will notify everyone ASAP. Please RSVP with an estimated number of guests even if you are not sure about attending - we just need preliminary numbers. If you change your mind to attend in person or not to attend or if guest numbers change, that is ok. You can let us know of changes after the RSVP deadline.

Who should I invite?

Ultimately, invite who you'd like to celebrate with. This is a monumental day in our careers! In the past, people have invited spouses and significant others, parents, or other family and friends.

Can I attend even if I was not part of the NRMP Match (i.e. participated in AOA, military, urology, etc. match)?

Yes! It is a time to celebrate as a class! If you participated in the AOA, military, urology, etc. match, you will still be able to receive an envelope to open. If you are a dual degree (DO/PhD) student, you are also welcome to come join to celebrate!

Why should I attend this Match ceremony if I didn't participate in the NRMP Match?

This is a great opportunity to celebrate the end of medical school and to catch up with classmates and friends. Everyone has their own vacation plans and we may not have another chance to celebrate all together.

Whom should I call with questions?
